

February 11 1:15 PM on Lab 4 Homework 1

Okay gonna start on my coding homework, I need a break from math

February 11 1:21 PM on Lab 4 Homework 1

Tug of war? Seems a bit simple

February 11 1:23 PM on Lab 4 Homework 1

Okay...how should I start this

February 11 1:46 PM on Lab 4 Homework 1

Okay I'm kinda stuck in the looping part, I should search up some examples

February 11 2:24 PM on Lab 4 Homework 1

Okay all I need to do is make an if loop about the output

February 11 7:00 PM on Lab 4 Homework 2

Time to start homework 2 I need a break from math again

February 11 7:15 PM on Lab 4 Homework 2

I have no idea how to do this

February 11 7:45 PM on Lab 4 Homework 2

I think I need help, I might search on google or ask classmates

February 11 9:00 PM on Lab 4 Homework 2

That took foreverrrrrrrrrrr

February 12 1:00 AM Lab 4 Homework 3
I'm bored and can't sleep so why not code.

February 12 1:00 AM Lab 4 Homework 3
Okay it seems simple, I just need to add a lot of loops

February 12 1:46 AM Lab 4 Homework 3
That's done, just had to ask google for help a little bit
